

CAN YOUR CENTER PULL TOWEL DISPENSER STAND UP TO THIS?

If Not, You'd Better Switch To von Drehle's New Watertight Dispenser.

When the towels have to stay clean and dry, but the area has to withstand aggressive washing-down, you need a towel dispenser that is waterproof. That's von Drehle's new Watertight Center Pull Dispenser. A special seal keeps towels safe inside the tough polycarbonate cover, for hands-free, single-sheet delivery. For a solution that is durable, efficient and impervious to water, von Drehle's Watertight Center Pull Dispenser is the answer.

Patent Pending

The Ideal Dispenser For:

- Meat/poultry processors
- Convenience stores
- Restrooms subject to wash-down
- Grocery meat departments
- Service station islands
- All outdoor installations
