

## Twin Jumbo Roll Dispenser

### Nameplate or Label

Can be easily inserted for a customized look.

### Grooved Edge on Base

Cover fits into a grooved edge on the base. Greatly increases the overall strength of the dispenser. Discourages attempts to pry open.

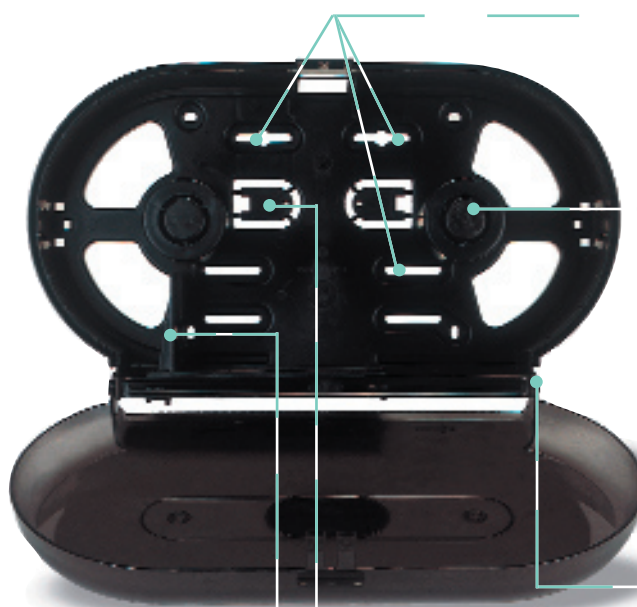

### Hidden Tear-Off Blades

Eliminates the need for perforated tissue. Helps control usage.

### High-quality Polycarbonate Cover

Material is virtually indestructible. Withstands the demands of high-traffic areas. Textured finish hides scratches and smudges, retains "new look" longer.

### Wide Selection of Mounting Holes

Provides greater flexibility and ease of installation.

### Interchangeable Hub System

One dispenser for all core sizes. Accommodates 1.25", 2.25" and standard 3.00" universal cores.

2.25"

3.00"

### Durable Hinge System

Provides years of trouble-free use (reinforced for maintenance-free service).

### Access Control Slide

Eliminates stub roll waste. New roll cannot be accessed until first roll is depleted.

### Unique Snap-Out Key Design

Two keys supplied with each dispenser.

### Unique Key Design

Helps Eliminate Pilferage

- Accommodates up to 9" rolls

- Modern, streamlined and compact

- Cabinet dimensions
